Vehicles with a list price including any additional options over £40,000 pay an additional £310 supplement for the first five years after the end of the first licence.

From 1 September 2017, certain new vehicles will be type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP), which is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions. From 1 September 2018 WLTP will fully replace the New European Drive Cycle (NEDC), which is the current test procedure. Due to more realistic test conditions, the fuel consumption and CO₂ emissions measured under the WLTP are in many cases higher compared to those measured under the NEDC. A fully integrated rear seat entertainment system featuring a multi-purpose docking station that is compatible with a 7" DVD player and iPad® holder. The DVD can be configured to allow the same content to be viewed on both screens, or display different movies on different screens (depending on the selected master/slave solution). The dock provides all the power to the attachments, with no visible wires, and does not affect anti-whiplash head restraints for those sat in the front seats.

* Applicable with iPad version 2, 3 and 4 only, and includes iPad Air adapter
(Note: Docks - Integrated mount for DVD players or iPad holders.
Master - DVD players.
Slave - Replicates content on Master display only)

Prices shown include fitting and VAT. These products are only available when ordered with a new vehicle. For CT and RX models only.

TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus.

Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care.

Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.

WARRANTIES

THREE-YEAR COMPREHENSIVE WARRANTY

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of three years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

FIVE-YEAR HYBRID COMPONENT WARRANTY

For hybrid models, certain components within the hybrid drivetrain system have a five-year or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

THREE-YEAR SURFACE RUST AND PAINTWORK WARRANTY

The warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12-YEAR CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts**. The Approved Pre-Owned service package can be tailored to your needs. Please contact your local Lexus Centre for a quote.

QUOTED MPG FIGURES

All mpg and CO₂ figures quoted in this brochure are sourced from official EU-regulated tests. These are provided for comparability purposes and may not reflect your actual driving experience. Fuel consumption and CO₂ emissions vary significantly depending on driving style, conditions, vehicle weight and speed. In order to allow consumers to compare and make an informed choice between one vehicle and another, there is a European Commission standard (93/116/EC and 692/2008) to measure fuel consumption. This common standard must be adhered to by all manufacturers selling motor vehicles in the EU, and is the basis for the fuel consumption figures published by each manufacturer. For information on how the test is performed please visit: www.dft.gov.uk/vca/fcb/faqs-fuel-consumptio.asp
