TERMS & CONDITIONS

THREE-YEAR COMPREHENSIVE WARRANTY

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of three years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown, the cost of recovering to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

FIVE-YEAR HYBRID COMPONENT WARRANTY

For Hybrid models, certain components within the Hybrid drivetrain system have a five-year or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

THREE-YEAR SURFACE RUST AND PAINTWORK WARRANTY

The warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12-YEAR CORROSION WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

QUOTED MPG FIGURES

All mpg and CO₂ figures quoted are sourced from official EU-regulated tests. These are provided for comparability purposes and may not reflect your actual driving experience. Fuel consumption and CO₂

emissions vary significantly depending on driving style, conditions, vehicle weight and speed. In order to allow consumers to compare and make an informed choice between one vehicle and another, there is a European Commission standard (93/116/EC and 692/2008) to measure fuel consumption. This common standard must be adhered to by all manufacturers selling motor vehicles in the EU, and is the basis for the fuel consumption figures published by each manufacturer. For information on how the test is performed please visit: www.dft.gov.uk/vca/fcb/laqs-fuel-consumptio.asp

* 'On the road' price comprises list price, 700 delivery charge, 26 number plate allowance (all inclusive of VAT) plus 12 months Vehicle Excise Duty (variable, depending on model) and 55 Vehicle First Registration Fee. ** The service plans exclude cambelt/timing chain changes.
