

UK PRESS RELEASE

New Lexus RX 450h to Debut at Geneva Motor Show

2 March 2012

KEY POINTS

- World premiere of the new Lexus RX 450h and RX 450h F Sport
- European premiere of the LF-LC hybrid sports coupe concept
- New GS 450h and GS 450h F Sport

The new Lexus RX 450h will make its world debut at the Geneva motor show on 6 March, alongside the first F Sport interpretation of the full hybrid luxury SUV.

Due to go on sale this summer, the new RX will continue to play an important role in the Lexus model range.

Other highlights of the Lexus presentation at Geneva will include the first European appearance of the much-acclaimed [LF-LC hybrid sports coupe concept](#), and the new GS 450h and GS 450h F Sport.

Andy Pfeiffenberger, Vice President Lexus Europe, will host a press conference on the Lexus stand (4211) in Hall 4 at 10.30am on 6 March.
