LEXUS PRICE LIST

JUNE 2021

LEXUS ES

Exciting Lexus ES Hybrid shatters preconceptions about executive saloons. Benefitting from a brave approach to design, made it lower, wider and sleeker. Combining a stunning coupé-like silhouette with the roominess and refinement of a flagship saloon, the ES delivers elegance and comfort in one exceptional vehicle.

To be the first to hear about the latest new updates on Lexus ES and receive information on our latest Lexus news, offers and events, simply fill in your details in the form, and we'll add you to our mailing list.

- 17-Speaker Mark Levinson® Premium Surround Sound System
- Wireless Smartphone Charger and Card Key

Options:

- Digital Door Mirrors

Digital Door Mirrors

The system replaces conventional door mirrors with compact, external, high-resolution cameras linked to in-car monitors. These provide an enhanced view of the area behind and immediately alongside the vehicle in all driving conditions. The cameras almost completely eliminate blind spots and adapt automatically to give an extended view when car is turning or reversing.

LEXUS LINK

Lexus Link transforms your vehicle into a connected car.

This mobile app offers access to a suite of services such as Find My Car, Online Service Booking, Share to Car and Hybrid Coaching.

Getting started is easy. Register with Lexus Link on the Lexus website or by downloading the app to your smart phone device.

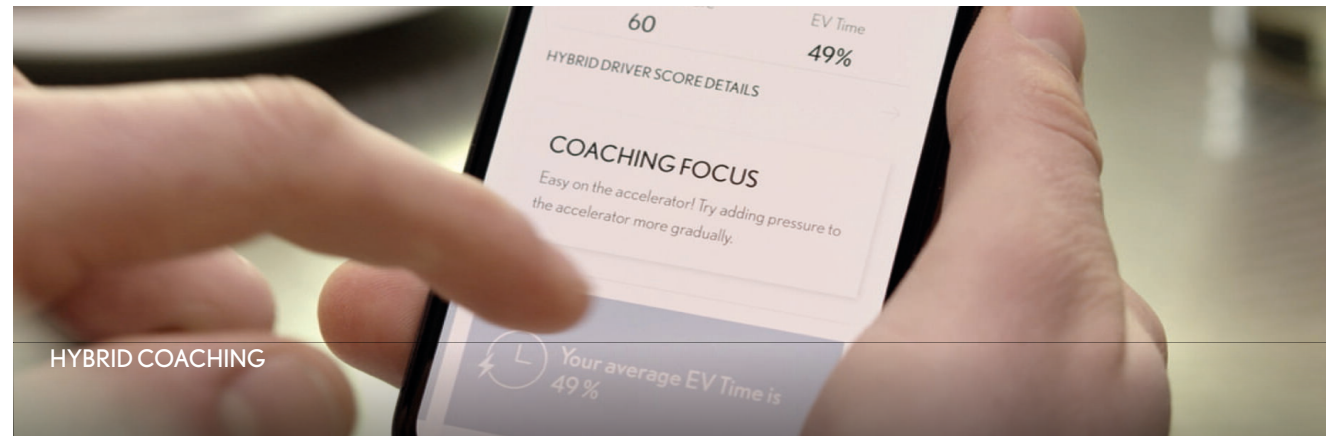

KEY FEATURES

- **Hybrid Coaching** – Personalised and contextualised coaching to help you maximise your eco driving performance by spending more time in Electric Vehicle mode, helping reduce both harmful emissions and fuel consumption.
- **Find My Car** – Locates your Lexus and guides you back to it through your preferred navigation app.
- **Online Service Booking** – Helps you manage the care of your new Lexus.
- **Send to Car** – Lets you plan a route on another device and send it to your Lexus.
- **Last Mile Guidance** – Guides you on foot to your final destination once you are parked.

For the latest features consult with your Lexus Centre or visit here:

[†]Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load. All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures. For more information on WLTP and specific vehicle types see <https://www.lexus.co.uk/wltp>. More information on WLTP in general can be found by visiting: www.vehicle-certification-agency.gov.uk/fcb/wltp.asp

ES DIMENSIONS

¹ Figure quoted is for ES models equipped with 18" or 19" alloy wheels. For models equipped with 17" wheels, the figure is 1601.

² Figure quoted is for ES models equipped with 18" or 19" alloy wheels. For models equipped with 17" wheels, the figure is 1621.

Please note: the dimensions illustrated / noted are measured in millimetres.

EXPERIENCE LEXUS SELF-CHARGING HYBRID

START UP, DRIVING OFF

When starting off and at lower speed, the electric motor propels the ES with electric power being supplied from the hybrid battery. At this point the saloon is almost silent, uses no petrol and produces zero emissions.

NORMAL DRIVING CONDITIONS

At higher speeds the petrol engine cuts in, almost silently, but still receives assistance from the electric motor when required. Through the near-perfect distribution of its dual-power sources, Lexus Hybrid Drive provides exceptional driving comfort – together with lower emissions and fuel consumption.

FULL THROTTLE ACCELERATION

Accelerate powerfully and the electric motor instantaneously supplements the 2.5-litre petrol engine. This delivers a surge of torque to provide smooth, powerful linear acceleration precisely when you need it.

DECELERATION, STOPPING, REGENERATIVE BRAKING

When decelerating or coming to a halt, the petrol engine turns off, cutting emissions to zero. Brake, or take your foot off the accelerator, and regenerative braking harnesses the kinetic energy lost in other cars. It converts this into electrical energy for storage in the hybrid battery, which is why a Lexus Self-Charging Hybrid is always ready to go.

TERMS & CONDITIONS

ADDITIONAL BENEFITS

3 YEARS' FREE LEXUS ROADSIDE ASSISTANCE

Whatever the situation, when you're driving your Lexus, we're just one call away with expert support at the roadside 24 hours a day, every day of the year. Free for 3 years from the initial purchase of a new vehicle, 24 hours a day, 365 days a year, assistance anywhere in the UK.

HOME START

One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

PERSONAL ASSISTANCE

Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else's car you can still receive Lexus Roadside Assistance.

REPLACEMENT VEHICLE

A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

HOTEL ACCOMMODATION

If a replacement vehicle is unavailable, we will arrange a hotel for

you and your family for up to £150 per person to a maximum of £500, for one night.

ONWARD TRAVEL

If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

EUROPEAN TRAVEL

If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

MEDICAL ASSISTANCE

If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

LOST OR BROKEN KEYS

If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

HYBRID BATTERY WARRANTY COVER AND HYBRID HEALTH CHECK (HHC)

A Hybrid Health Check is included in all services for hybrid vehicles, where a technician will test the entire hybrid system and provide a written

report. With each Hybrid Health Check, the customer will receive an extra 1 year or 10,000 mile (whichever comes sooner) hybrid battery warranty extension, until the vehicle is 15 years old. An annual Hybrid Health Check is free of charge as part of any Lexus Service. If a service isn't due for a while, a standalone Hybrid Health Check is available for just £59 to offer peace of mind.

TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus. Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care. Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.

WARRANTIES

THREE-YEAR COMPREHENSIVE WARRANTY

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of three years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

LEXUSRELAX

Up to 10 Years / 100,000 mile Lexus warranty.

Every new Lexus, is eligible to be covered by up to 10 years' manufacturer warranty through Lexus Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Lexus Centre. A 12 months' warranty is included with every Lexus Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply. For full details, please ask your official Lexus Centre, visit lexus.co.uk/lexus-relax/terms or search Lexus Relax.

FIVE-YEAR HYBRID COMPONENT WARRANTY

For hybrid models, certain components within the hybrid drivetrain system have a five-year or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

THREE-YEAR SURFACE RUST AND
PAINTWORK WARRANTY

The warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12-YEAR CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts**. The Approved Pre-Owned service package can be tailored to your needs. Please contact your local Lexus Centre for a quote.

QUOTED MPG FIGURES

*Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures. For more information on WLTP and specific vehicle types see <https://www.lexus.co.uk/wltp>.

More information on WLP grants is available by visiting <http://www.welldoctoraltraining.gov.uk/wlp.asp>
