

ALL-NEW LEXUS NX SELF-CHARGING HYBRID
& ALL-NEW LEXUS NX PLUG-IN HYBRID

LEXUS PRICE LIST

OCTOBER 2021

DESIGNED TO EXCITE

Striking looks, breakthrough hybrid powertrains and exhilarating performance make the All-New NX more desirable than ever.

Excitement comes as standard – and comes instantly – in the NX luxury mid-size SUV. Its bold and beautifully proportioned styling, highlighted by the sculpted front fascia and signature grille, wide rear stance and skilfully crafted character lines, hints at the vitality that lies waiting under its skin. Whether parked or in motion, the elegant NX exudes a distinguished presence, in keeping with its exclusive pedigree.

The excitement extends inside, to the unique 'Tazuna' cockpit which has been inspired by the artistry and control of traditional reins Japanese horsemen. This human-centred design, with all key

instruments placed around the driver, evokes a sense of control and anticipation for the drive ahead. It's just one example of how the NX is masterfully crafted to make you feel more in the moment.

NEW HYBRID AND PLUG-IN HYBRID POWERTRAINS.

With its advanced new Lexus Plug-in Hybrid and Lexus Self-Charging Hybrid powertrains, the NX improves on traditional petrol- or diesel-powered mid-size SUVs. The product of over 15 years of experience in pioneering electrification, the Lexus Self-Charging Hybrid supplies the NX 350h with more power and acceleration, yet excellent

Features referred to may only be available on selected grades and packs

economy and emissions. Extending the Lexus electrified powertrain line-up, the breakthrough NX 450h+ sets a new standard for plug-in hybrids. It's not just the battery range, the power and rapid acceleration that impress: it's the impressive efficiency in hybrid mode, with no sacrifice in boot space or fuel tank capacity.

PERFORMANCE THAT BLENDS REFINEMENT WITH EXHILARATION.

A sensation of electrified power and agility is immediately apparent once at the wheel of the NX. The NX navigates motorways, mountain passes and city streets with ease, the very quietness of the drive strengthening the connection with the road and emphasising the benefits of the enhanced

aerodynamics and lower centre of gravity. When cornering or accelerating, you feel a wonderful interplay at work between the powertrain, rigid new chassis and ultra-sharp steering, producing a precision and linearity which excites and relaxes in equal measure. This is what we call the Lexus Driving Signature. And to savour it in its fullest form, the alluring NX F SPORT is available.

The NX has arrived. Get ready to feel more in the moment.

Features referred to may only be available on selected grades and packs

F SPORT with Flare Red leather upholstery

HAVEN OF CRAFTSMANSHIP

The beautifully finished interior of the All-New NX indulges the senses of both driver and passengers.

The feeling of exhilaration builds long before you get to drive the NX. Sensing your arrival, the door handles illuminate, highlighting obstacles such as puddles as you approach. Then once inside, the POWER button pulsates gently, the stylish instrument displays light up to greet you and ambient lighting allows you to instantly transform the cabin to suit your mood using a palette of 64 atmospheric colours. This is 'Omotenashi' – an ancient Japanese

philosophy of hospitality, rooted in anticipating your needs even before you know them yourself. You find it everywhere inside the NX.

DRIVER-CENTRED COCKPIT CRAFTED BY 'TAKUMI' ARTISANS.

Sitting in the driver-centred 'Takumi' cockpit, your focus is squarely on the road ahead, yet all around, the craftsmanship of our famed Lexus Takumi artisans is arousing your senses. The elegant finish of the door inserts. The softness of the sumptuous seating against the skin. The exceptional quietness, interrupted only by the reassuringly natural voice operations of

Features referred to may only be available on selected grades and packs

the new multimedia system, which intelligently understand and respond to your commands.

TRAVELLING FIRST CLASS.

You're feeling pampered, and so are your passengers. The comfort and spaciousness of the NX interior carries the unmistakable feel of a business lounge, the perfect auditorium for the standard 10-speaker or

optional Mark Levinson® 17-speaker Premium Surround Sound systems. Exploiting the acoustic properties of the NX, these systems offer a memorable home theatre experience transposed to your car.

At once thrilling and soothing, the performance is made all the more pleasurable by S-Flow climate control,

which, sensing which seats are occupied or where the sun is shining, adjusts the interior climate accordingly. And accompanied by the tranquility of the electrified hybrid powertrain, takes you to your destination in the serene manner you expect of a Lexus.

Slide inside the NX and you'll be struck by the prominent central multimedia display. One of the largest in its class, the 14-inch

HD touchscreen with intuitive navigation is emblematic of the technology that lies in store. Some of it is evident, like the Head-Up Display that projects speed, safety warnings and navigation commands directly onto the windscreen. Some is hidden from view, like the innovations that make up the most complete standard safety package of any luxury mid-size SUV.

FUTURE FOCUSED

Leading-edge multimedia and safety innovations in the All-New NX give the driver a feeling of empowerment and protection.

STAY CONNECTED WITH NEW MULTIMEDIA AND LEXUS LINK.

Featuring cloud navigation, which is a first for this type of car, the new-generation multimedia system is faster and easier to use, and Over The Air updates mean the latest connected experience is always available. With the clever Lexus Link app on your smartphone, you can access useful connected services such as tracking your journey or navigating to your final destination once you've parked. In addition, other new remote services include pre-heating the car on cold mornings.

Meanwhile, the NX 450h+ owner enjoys functions specifically for a plug-in hybrid, such as a charging timer and charge scheduling.

CLASS-LEADING SAFETY IS AT HAND.

The feeling of well-being, which is at the heart of every Lexus, is raised to new levels in the NX with the latest generation Lexus Safety System +. The Pre-Collision System has been upgraded to detect objects such as motorcycles and to prevent collisions at

intersections and involving oncoming vehicles. It now features Emergency Steering Assist, which helps guide your steering movements when there is a car, cyclist or pedestrian very close to or in your lane.

Features referred to may only be available on selected grades and packs

Also new is Lane Change Assist, which supports steering, acceleration and deceleration during a lane change as part of Dynamic Radar Cruise Control. Debuting on the NX is E-Latch with Safe Exit Assist, comprising slick, electronically activated door locks which are automatically prevented from opening in the case of traffic approaching from behind.

AUTOMATED PARKING TO MAKE LIFE EASIER.

The sense of peace of mind is heightened further with an advanced new driver support feature. Automated Parking autonomously parks the NX at the press of a button, scanning the environment around you and even recognising parking spaces that you use frequently. Wherever you travel in this car, it's safe in the knowledge that the latest technology is constantly at your side.

Features referred to may only be available on selected grades and packs

EQUIPMENT

NX GRADE

NX grade delivers great design and comfort while also offering extensive standard equipment and optional packs.

Equipment Highlights

- E-FOUR (All Wheel Drive)
- 18" Alloy Wheels (235/60 R18) with Temporary Spare Tyre
- Lexus Link Connect Multimedia including 9.8" Touchscreen Display, Cloud Navigation, Lexus Link connected services and Over the Air Updates
- Apple CarPlay® (wireless) and Android Auto®
- Lexus Safety System+, a comprehensive suite of safety and driver assistance systems
- E-Latch
- Bi-LED Headlights with Automatic High Beam (AHB)
- Rain-sensing Wipers
- Front and Rear Parking Sensors with Reversing Camera
- Door Mirrors: Heated, Auto-folding with Turn Indicators
- Tahara Man-made Leather Upholstery
- Heated Front Seats
- 10-speaker Pioneer® Audio System and CD Player
- Power back door

Image not representative of full UK specification

Premium Pack

In addition to NX grade:

LEXUS LINK

Lexus Link offers a range of convenient services that will enhance your All New NX experience. Start or stop the battery charge and set-up a timer based on the lowest electricity rate, for example overnight at home. All designed to make owning an Electric car as simple as possible.

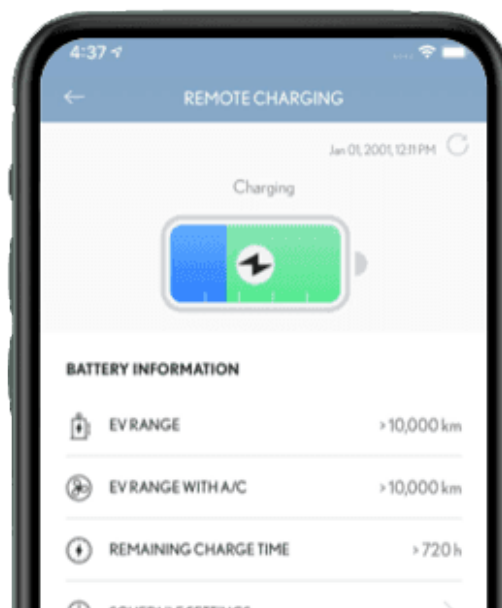

Lexus Link will also allow from the phone to set the cabin temperature well in advance of any trips. Not only is it convenient to never have to sit on a cold seat, it is also more efficient and will help to optimise the real driving range.

ADDITIONAL BENEFITS

3 YEARS' FREE LEXUS ROADSIDE ASSISTANCE

Whatever the situation, when you're driving your Lexus, we're just one call away with expert support at the roadside 24 hours a day, every day of the year.

3 years from initial purchase of new vehicle 24 hours a day, 365 days a year assistance anywhere in the UK.

HOME START

One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

PERSONAL ASSISTANCE

Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else's car you can still receive Lexus Roadside Assistance.

REPLACEMENT VEHICLE

A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three

days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

HOTEL ACCOMMODATION

If a replacement vehicle is unavailable, we will arrange a hotel for you and your family for up to £150 per person to a maximum of £500, for one night.

ONWARD TRAVEL

If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

EUROPEAN TRAVEL

If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

MEDICAL ASSISTANCE

If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

LOST OR BROKEN KEYS

If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

LEXUS RELAX

UP TO 10 YEARS / 100,000 MILE LEXUS WARRANTY

Every new Lexus, is eligible to be covered by up to 10 years' manufacturer warranty through Lexus Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Lexus Centre. A 12 months' warranty is included with every Lexus Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply. For full details, please ask your official LexusCentre, visit lexus.co.uk/lexus-relax/terms or search Lexus Relax.

EV BATTERY HEALTH CHECK

EV CHECK

An annual check at your local LEXUS Authorised Repairer is the best way to ensure you are getting the most from your EV.

EXTENDED EV CARE

From new, all EV components benefits from our five-year/60,000* miles warranty. When your vehicle is brought in for its annual health check it will be eligible for a further one-year/10,000** miles of EV battery extended care up to 10 years old/600,000 miles** for degradation below 70% of initial capacity. Having created the Lexus EV technology, only a LEXUS EV Authorised Repairer can give you the peace of mind and expert care you expect.

*whichever comes first, first year unlimited

**whichever comes first

TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus. Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care. Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.

WARRANTIES

MANUFACTURER WARRANTY

3 Years/ 60,000 miles comprehensive warranty.

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of 3-years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

LEXUS RELAX

Up to 10 Years /100,000 mile Lexus warranty.

Every new Lexus, is eligible to be covered by up to 10 years' manufacturer warranty through Lexus Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Lexus Centre. A 12 months' warranty is included with every Lexus Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply. For full details, please ask your official Lexus Centre, visit lexus.co.uk/lexus-relax/terms or search Lexus Relax.

HYBRID VEHICLE WARRANTY

5 Years / 60,000 miles hybrid component warranty.

For hybrid models, certain components within the hybrid drivetrain

system have a 5 years or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

3 YEARS SURFACE RUST AND PAINTWORK WARRANTY

This warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12 YEARS CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts**. Please contact your local Lexus Centre for a quote.

QUOTED CO₂ AND POWER USAGE FIGURES

†Figures are provided for comparability purposes; only compare fuel consumption, CO₂ and/or electric range figures with other cars

tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption, CO₂ produced and electric range can vary significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). More information can be found by visiting: <http://www.vehicle-certification-agency.gov.uk/fcb/wltp.asp>

LEXUS FINANCIAL SERVICES

Lexus Financial Services offers an extensive range of finance products, including Lexus Connect – Contract Purchase, Lexus Connect Personal Contract Purchase and Lexus Connect – Contract Hire. Products that offer a combination of benefits designed to make acquiring a Lexus as easy as driving one. Whether you are a private motorist looking for the most flexible, affordable options or a business wishing to boost cash flow and tax-efficiency, our finance products provide attractive, refined solutions. Your Lexus Centre will be happy to discuss the full range of financing options available and create a finance quotation that is right for you. When you choose to go ahead your Lexus Centre will arrange your application. Delivering complete customer satisfaction underpins everything we do at Lexus, so once you commence an agreement with us, you can rest assured that our team of UK-based customer service representatives are only a phone call away if you have any queries. **Finance Subject to status to over 18s. Indemnities may be required. T&Cs apply.**

*‘On the road’ price comprises list price, £700 delivery charge, £26 number plate allowance (all inclusive of VAT) plus 12 months Vehicle Excise Duty (variable, depending on model) and £55 Vehicle First Registration Fee.

**The service plans exclude cambelt/timing chain changes.
