LEXUS LINK

Lexus Link offers a range of convenient services that will enhance your UX 300e experience. Start or stop the battery charge and set-up a timer based on the lowest electricity rate, for example overnight at home. All designed to make owning an Electric car as simple as possible.

Lexus Link will also allow from the phone to set the cabin temperature well in advance of any trips. Not only is it convenient to never have to sit on a cold seat, it is also more efficient and will help to optimise the real driving range.

KEY FEATURES

Remote functions:

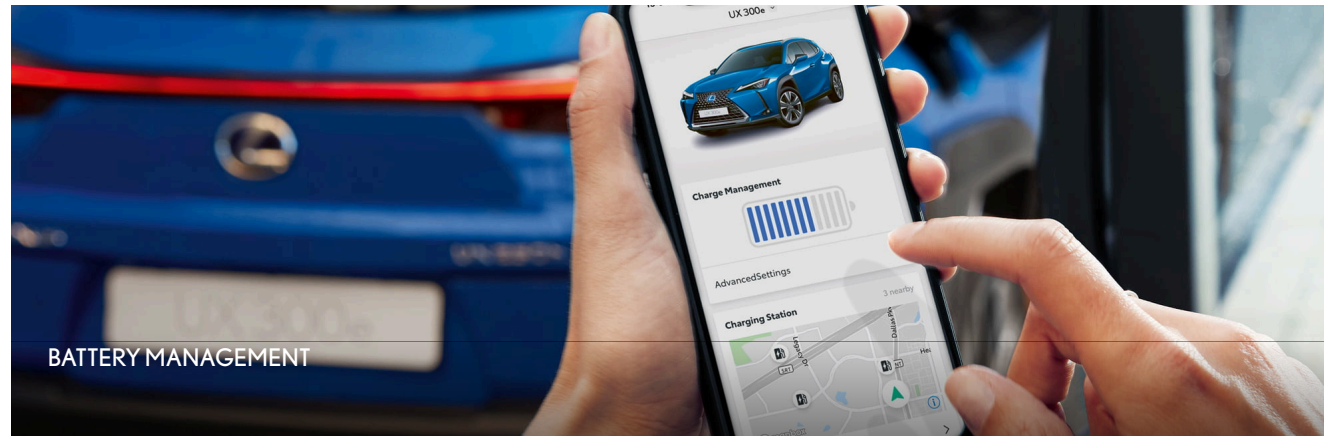

- Remotely defrost front and rear windows
- Remotely heat or cool the cabin

Battery management functions:

- Check battery status and remaining range
- Remaining charge time
- Schedule the time to start / stop charging

ADDITIONAL BENEFITS

UX 300e

3 YEARS' FREE LEXUS ROADSIDE ASSISTANCE

Whatever the situation, when you're driving your Lexus, we're just one call away with expert support at the roadside 24 hours a day, every day of the year.

3 years from initial purchase of new vehicle 24 hours a day, 365 days a year assistance anywhere in the UK.

Home Start

One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

Personal assistance

Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else's car you can still receive Lexus Roadside Assistance.

Replacement vehicle

A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

Hotel accommodation

If a replacement vehicle is unavailable, we will arrange a hotel for you and your family for up to £150 per person to a maximum of £500, for one night.

Onward travel

If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

European travel

If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

Medical assistance

If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

Lost or broken keys

If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

LEXUS RELAX UP TO 10 YEARS /100,000 MILE LEXUS WARRANTY

Every new Lexus, is eligible to be covered by up to 10 years' manufacturer warranty through Lexus Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Lexus Centre. A 12 months' warranty is included with every Lexus Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply. For full details, please ask your official LexusCentre, visit lexus.co.uk/lexus-relax/terms or search Lexus Relax.

ADDITIONAL SERVICES AVAILABLE WITH UX 300e

SERVICE PLANS

A range of service plans is available. Servicing at a Lexus Centre includes added reassurance of a free EV Battery Health Check that can extend the warranty on the EV battery by an additional year or 10,000 miles up to 10 years old and 600,000 miles (whichever is soonest).

HOME WALLBOX

To support fast home charging, Lexus and Centrica-British Gas have combined to offer a national installation service. Full details available from your Lexus Centre.

HAVE YOU CONSIDERED A SELF-CHARGING HYBRID?

Since the introduction of the Lexus Self-Charging Hybrid RX 400h in 2005, Lexus has pioneered the electrification of the Premium market. We also offer a range of hybrid cars and SUV that can be in EV mode for up to 52% of travel time. These offer a compelling alternative if a full EV is not quite the right vehicle for your lifestyle.

*Average percent of 7,805 UX 250h test drives taken up to 13th March 2020. Figure accurate as of 13th March 2020. Our hybrid demonstrator vehicles are fitted with a telematics device, which with your permission will track your test drive journey to gather key statistics and show you how efficient your drive is. Hybrid test drive data is retained for a maximum of one year and is for statistical and research purposes only. Only Lexus GB and DriveCo (the service provider) will have access to this information.

HOME START

One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

PERSONAL ASSISTANCE

Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else's car you can still receive Lexus Roadside Assistance.

REPLACEMENT VEHICLE

A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

HOTEL ACCOMMODATION

If a replacement vehicle is unavailable, we will arrange a hotel for

you and your family for up to £150 per person to a maximum of £500, for one night.

ONWARD TRAVEL

If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

EUROPEAN TRAVEL

If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

MEDICAL ASSISTANCE

If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

LOST OR BROKEN KEYS

If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

EV BATTERY HEALTH CHECK

EV CHECK

An annual check at your local LEXUS Authorised Repairer is the best way to ensure you are getting the most from your EV.

EXTENDED EV CARE

From new, all EV components benefits from our five-year/60,000* miles warranty. When your vehicle is brought in for its annual health check it will be eligible for a further one-year/10,000** miles of EV battery extended care up to 10 years old/600,000 miles** for degradation below 70% of initial capacity. Having created the Lexus EV technology, only a LEXUS EV Authorised Repairer can give you the peace of mind and expert care you expect.

TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus. Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care. Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.

WARRANTIES

MANUFACTURER WARRANTY

3 Years/ 60,000 miles comprehensive warranty.

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of 3-years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

LEXUS RELAX

Up to 10 Years /100,000 mile Lexus warranty.

Every new Lexus, is eligible to be covered by up to 10 years' manufacturer warranty through Lexus Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Lexus Centre. A 12 months' warranty is included with every Lexus Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply. For full details, please ask your official Lexus Centre, visit lexus.co.uk/lexus-relax/terms or search Lexus Relax.

HYBRID VEHICLE WARRANTY

5 Years / 60,000 miles hybrid component warranty.

For hybrid models, certain components within the hybrid drivetrain

system have a 5 years or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

3 YEARS SURFACE RUST AND PAINTWORK WARRANTY

This warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12 YEARS CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts**. Please contact your local Lexus Centre for a quote.

QUOTED CO₂ AND POWER USAGE FIGURES

†Figures are provided for comparability purposes; only compare fuel consumption, CO₂ and/or electric range figures with other cars

tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption, CO₂ produced and electric range can vary significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). More information can be found by visiting: <http://www.vehicle-certification-agency.gov.uk/fcb/wltp.asp>
