## ADDITIONAL BENEFITS

### 3 YEARS' FREE LEXUS ROADSIDE ASSISTANCE

Whatever the situation, when you're driving your Lexus, we're just one call away with expert support at the roadside 24 hours a day, every day of the year.

Free for 3 years from the initial purchase of a new vehicle, 24 hours a day, 365 days a year, assistance anywhere in the UK.

#### Home Start

- One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

#### Personal assistance

- Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else's car you can still receive Lexus Roadside Assistance.

#### Replacement vehicle

- A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

#### Hotel accommodation

- If a replacement vehicle is unavailable, we will arrange a hotel for you and your family for up to 150 per person to a maximum of 500, for one night.

#### Onward travel

- If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to 150 per person, to a maximum of 500.

#### European travel

- If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

#### Medical assistance

- If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

#### Lost or broken keys

- If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

An annual Hybrid Health Check is free of charge as part of any Lexus Service. If a service isn't due for a while, a standalone Hybrid Health Check is available for just 59 to offer peace of mind.

### ELECTRIC BATTERY WARRANTY COVER AND BATTERY HEALTH CHECK

Lexus has over 20 years of experience with advanced batteries due to our use of Lexus Self-Charging Hybrid technology, and all of this knowledge has been used to develop the large capacity Lithium-ion (Li-ion) battery in the UX 300e.

This experience alongside careful monitoring and battery management also gives us confidence to offer a standard 8-years/ 100,000 mile warranty (whichever comes first) on the battery. This is extendable to 10 years (or 600,000 miles, whichever comes first) with the Battery Health Check included in each service at your Lexus centre.

### HYBRID BATTERY WARRANTY COVER AND HYBRID HEALTH CHECK (HHC)

A Hybrid Health Check is included in all services for hybrid vehicles, where a technician will test the entire hybrid system and provide a written report.

With each Hybrid Health Check, the customer will receive an extra 1 year or 10,000 mile (whichever comes sooner) hybrid battery warranty extension, until the vehicle is 15 years old.

## TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price\* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus.

Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care.

Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.
